The lands made over to the temple by the deed are stated to have been transferred to the State of the temple in which they continue at present. Deducting the danam of Rs 22-8-0 (including cesses) due to Government on account of these lands it is stated that a balance of Rs 80/- on an average out of the income from these lands will be available each year for Sambarpane and that if economically spent this amount will suffice for Sambarpane on the day of the car feast and on the next day.

2. I beg to solicit the sanction of Government to accept the offer of Venkabhatta and to utilize the income realized from the lands for expenses connected with the Sambarpane as desired by the donor, especially as it is reported that there is no other provision to feed the large number of devotees that visit the place on the

Sir,

With reference to your docket No. 5617 dated 15th June 1906 calling for additional information regarding the gift of certain lands made by Venkabhatta for utilizing the income thereof for sautarpane during the car festival of Sri Renukamba temple at Chandragutti in the Sorab Taluk, I have the honor to state that from the report of the Sagar Taluk Amildar dated 15th September 1906 received with the Sagar Sub-divisional Officer's letter No. 208 dated the 4th Instant, it appears that the lands in question came into the possession of Bacappa the Manager of the temple on 27th March 1893, and were entered in his Khata by "Rajikabuli" process and were brought over to the Khata of the temple in 1897-98. On the death of Bacappa, Ganesha Rao was appointed Manager in 1904-05 and he has maintained Accounts since 1905-06.

2. It is reported that for the period that the lands were under the management of —

Bacappa

and

that the matter was not noticed by the Taluk officials either. The matter was, it is stated, treated by Banappa as a purely personal one till his death. The present manager explains that for the year 1904-05 he did not keep any accounts as none were kept by his predecessor and as he was himself new to the office. The annual income and expenditure since 1905-06 have been detailed in the Amildar's report No. 207 dated 20th August 1908. to the Assistant Commissioner, from which it is seen that even after payment of the assessment on the lands there has been a net income of Rs 80/- per annum for the last three years and that the expenditure on the Sanctarpane during the period has averaged Rs 73.12.4.
